Miss Carson,

St. Christopher's House, Toronto.

Dear Miss Carson:

Some weeks ago we tried to get you by telephone at St. Christopher's House asking you to be present at a committee that was dealing with a proposed programme for a training course for social workers, but you were out of the city. Since that time the course has been drawn up and passed the Senate, but before finally issuing it I wish to submit it again to the committee that dealt with it before. I am calling this committee to meet in my office on Thursday afternoon of this week, May 7th, at three o'clock. If you are free at that time I shall be very glad if you could meet with our committee.

Yours sincerely,

President.
